

New Student Application Process

Dear Potential Parent,

We are so excited that you are interested in Faithful Academy for your child! To start your application process please print and complete the application form. It's imperative that you complete each question to the best of your knowledge. You will need one application for each child. Once the application is complete, you will need to drop it off in person with a \$50 application fee (one fee per family) to our academy Monday through Thursday between 7:30am-3:30pm. The application fee is a non-refundable fee. However, the \$50 fee will be deducted from your new student registration fee if a seat is available for your child.

When your applications are received, our admissions director will review them and call you to set up an interview and an Academy tour.

Seats are limited as our class sizes are small at 8 students or less per teacher. However the application will hold your spot on our waiting list if a seat comes available for your child during the academic year.

Currently we are taking new student applications for the 2022-23 school year for seats that are available.

I look forward to meeting with you to further discuss your students' enrollment process for Faithful Academy.

***Our offices are closed during the summer break (May 27 through July 31, 2022) during this time please mail your application and fee to:
